

Financial commitment policy 2023/24

By confirming your acceptance to your season 15 squad (competition or recreational), you are also accepting the Lazer Cheer Academy's season 15 financial commitment policy.

COMMITMENT

We agree to the following financial commitments:

Training fees:

- All monthly fees will be requested **on 1st of every month** for the upcoming month via direct debit
- Advance training fees are non refundable should you decide to leave.
- I understand family discounts apply **ONLY** when all the family members are fully training. Should one family member stop training or put it on hold due to injury/sickness, the family discount may be reduced or lost.
- I understand that camps and clinics **MUST** be paid for when booking and refunds will **not** be allocated should you wish to change your mind.

Competition fees (not applicable to recreational squads)

1. I understand all competition entry fees **MUST** be paid by the deadline.
2. I understand if I miss the final deadline I will **NOT** be entered in to the competitions.
3. I understand spectator tickets must also be ordered **WITH** my entry fee or by the deadline. And if Lazer Cheer does not receive my spectator ticket money and order I will run the risk of not getting spectator tickets for a competition.
4. I understand should I miss the spectator ticket order deadline it is still my responsibility to ensure my athlete is able to attend the competition under the supervision of another parent/guardian.
5. I understand should I drop out of the competition after my fees have been paid it will be non-refundable as it has already been paid to the event provider.
6. I understand if I am no longer able to attend the competition, spectator ticket money is also non-refundable as it has already been paid to the event provider.
7. I understand should I miss training during red zone, I will potentially lose my space for the next upcoming competition and fees/spectator tickets will not be refunded.

Uniform costs for season 15 (not applicable for recreational squads)

1. I understand a £40 deposit will be due on 1st August (NO LATER).
2. You will have 2 options to pay the remaining balance of the uniform. You can either pay it in full in the month of September or split the cost equally over the months of September October and November.
3. I understand that should I cancel my order or stop cheer, I will not be refunded £40 until the uniform has been sold to another athlete. I understand there will not be a time limit on this.
4. I understand I will not receive my uniform until the final balance has been paid.
5. I understand that should the uniform quickly become too small, it is my responsibility to pay for one that fits by swapping, buying a 2nd hand one or buying a new one. It is not Lazer Cheer's responsibility to swap, buy or change a uniform once it has been worn, although we will always endeavour to support you with this.

6. I understand that buying/selling 2nd hand uniforms is not a responsibility of Lazer Cheer, and we will not be accountable for any monies lost or in dispute with another athlete or parent.
7. Parents/guardians are welcome and encouraged to witness the measuring of your athlete to confirm the measurements.

I understand that if my fees are not up to date, I will not be able to order any items of uniform or merchandise from the Lazer Cheer shop.

NO ON TIME COMPETITION FEE = NO COMPETITION ENTRY

We will not be entering anyone into a competition that has not paid their fees, regardless of their position in that squad they will lose their place.

What happens if my training session is cancelled?

DUE TO COACHES – we will do our best to ensure a training session is covered. If however, this is just not possible, we will reschedule an additional training session to cover the missed one.

DUE TO WEATHER CONDITIONS – Fees will not be refunded or rescheduled for having to cancel sessions due to dangerous or serious weather conditions.

DUE TO PUBLIC INTEREST – If there is something going on in the area that affects training, we will make a decision as to whether training is safe and worthy of being held on that day/week. (For example the Tour De France) We will do our best to reschedule training sessions where possible in this situation.

What happens if I cannot attend training due to sickness, injury or holiday?

Fees will not be refunded or reduced for sessions missed due to sickness days or holidays being taken. You are signing up for a space on your squad and are expected to pay for that space every month.

Should a sickness/injury result in missed training sessions for a long period of time, please speak to coaches Chelsea or Mandy regarding your fees and spaces on the squad to create a plan of action.

What if I leave before the month is over?

Fees are non refundable for the current month you are training in.

If you choose to leave, it is your responsibility to cancel your training fees through your bank.
